SCART DVB-T Receiver

Description

The Delock DVB-T receiver can be connected directly to your Scart port or via Video connector to your TV. Thus you can receive radio and TV in all DVB-T areas. By using the USB port you can also connect a USB memory stick or a USB hard disk drive in order to record movies or to watch your stored movies. Pictures and MP3 files can be played via USB as well.

Ref. 61639

EAN 4043619616398
